

The One Within

Witchery

Barren plains unholy ground
A silent scream darkness abound
Mythical rhymes spoken by few
Fiendish uprising a legend come true?

Ungodly pleasures mortal sins
Feeding the one within
Rise again Rise again

Inverted crosses bloodstained sand
Ancient symbols carved in hand
Godless creatures odium fortold
Devoured by vermin a corpse without soul

Ungodly pleasures mortal sins
Feeding the one within
Rise again Rise again

Risen from below
Captor of your soul
For beyond retrieve
Forsaken by your god

Barren plains unholy ground
A silent scream darkness abound
Close the circle nocturnal feast
upon the flesh hellhounds unleashed

Ungodly pleasures mortal sins
Feeding the one within
Rise again Rise again
