

# Hate Me

Within Destruction

I don't give a fuck about my life  
It would be the same if I vanish into thin air  
My will to live and end it all in a constant strife  
Blowing my head open would be my last affair

Dōmo arigatō

All my friends have gone away  
Depression is the only one to stay

No one gives a fuck  
Your life is worthless and so are you  
No one gives a fuck  
Your life is worthless so fuck you too

I don't give a fuck if you hate me  
Cause I already hate myself  
I don't give a fuck if you hate me  
Cause I already hate myself

Hate yourself

I can't believe I got so mad  
My thoughts are blank in pitch black dark  
I can't believe it got so bad

Release my pain with a wrist blood mark  
Welcome to the #sadboikroo  
Release my pain with a wrist blood mark  
We're the #sadboikroo

Yo, we're the #sadboikroo and we don't give a fuck  
We don't give a fuck about you  
Yo, we're the #sadboikroo and we don't give a fuck  
We don't give a fuck about you  
Watashi wa #sadboikroo we don't give a fuck  
Don't give a fuck about you  
Watashi wa #sadboikroo we don't give a fuck  
Don't give a fuck about you

Left alone with my own suffering  
Empathy I cannot feel  
I wish I had a smile on my face  
But all I see is misery and disgrace

I don't give a fuck if you hate me  
Cause I already hate myself  
I don't give a fuck if you hate me  
Cause I already hate myself  
I don't give a fuck if you hate me  
Cause I already hate myself  
I don't give a fuck if you hate me  
Cause I already hate myself
