

# HIDE & SICK

Within Destruction

Out of control, I'm out of control  
I'm out of control, I'm out of control  
Out of control, I'm out of control  
I'm out of control, I'm out of control  
Out of control, I'm out of control  
I'm out of control, I'm out of control  
Out of control, I'm out of control  
There's no way out

Whispers in the silence are tearing me apart  
I'm chasing an illusion I'm running from the dark  
Lost in the memories of a world that I once knew  
I'm breaking down and there's nothing more that I can do

Am I going insane?  
How can I only feel this pain?  
Am I going insane?  
Can you hear me screaming in vain?

My mind's in shadows, I'm slowly fading away  
The voices, they echo, "You're just a prey"  
Echoes of sanity no longer remain  
I stare at the skies and the downpouring, everlasting rain

Am I going insane, am I going insane?

Is it all in my head?  
I don't wanna be, I don't wanna be left for dead  
Inside my head, I'm going  
Going insane  
It's all in my head  
I don't wanna be, I don't wanna be left for dead  
I hate to admit  
That I have gone insane

This is not insanity, this is my reality  
This is not insanity, this is my reality  
This is not insanity, this is my reality  
This is not insanity, this is my reality

Am I insane? Am I insane? Am I insane? Am I insane?  
Am I insane?  
Am I insane? Am I insane? Am I insane? Am I insane?  
Am I insane?  
There's no way out  
There's nowhere I can hide

Is it all in my head?  
I don't wanna be, I don't wanna be left for dead  
I hate to admit  
I've gone insane  
I don't wanna be, I don't wanna be  
I've gone insane  
I don't wanna be, I don't wanna be  
That I have gone insane
