

# INCOMPLETE

## Within Destruction

Are you listening to me?  
Are you feeling incomplete?  
I recognize the feeling that I felt all of my life  
I bleed myself dry  
As you say I'm  
Not the one you thought I was  
Bring up old fears  
I'm not done here  
Are we really out of time?

So tell me why  
(Tell me why, tell me why, tell me why)  
Will you turn back time?  
(I cannot save my life)  
Days where I felt safe  
(Days where I felt safe)

So I disregard my life  
And I can't restore my mind  
All the scars we left behind  
All the damages we seek  
Come and tell me why  
(Tell me why, tell me why, tell me why)  
I can't save my life  
(I cannot save my life)  
I'm falling out now

A struggle within, a war never seen  
I'm fighting the darkness that's swallowing me  
I won't surrender, I won't let go  
I'll find the strength that's buried inside of me  
That's buried inside of

So I disregard my life  
And I can't restore my mind  
All the scars we left behind  
All the damages we seek  
Come and tell me why  
(Tell me why, tell me why, tell me why)  
I can't save my life  
(I cannot save my life)

Will you tell me why?

Against the current, against the tide (against the tide)  
Where shadows cannot hide  
Unleash the chains, incomplete

Are you listening to me?  
Are you feeling incomplete?  
I recognize the feeling that I felt

Come and tell me why  
I'm feeling incomplete  
I can't save my life  
(I cannot save my life)  
I'm feeling incomplete

Come and tell me why (I'm feeling incomplete)  
(Tell me why, tell me why, tell me why)  
I can't save my life (I'm falling out now)  
(I cannot save my life)

Tell me why do I feel so incomplete?
