

Slavic Metal 2

Within Destruction

HEY NIK, DROP THE BEAT
Slav squat
Močan sem kot volk

What do you know about being a Slav
I was born with a Braník in my hand
You should really understand
Wearing stripes doesn't mean it's in your blood
You gotta live that shit
Now I'll show you how we do it

Squat down
Squat down
Heels on the ground
Then it's bottoms up, booze runs through my Slavic system
Squat down
Squat down
Put your heels on the ground
Line 'em up, we taking vodka shots, shots, shots

Forever in my blood
Adidas and Hardbass
I'm Slavic 'til the end, 'til death
I'm thankful to my mom
For Vodka in my veins
I'm Slavic 'til the end
Močan sem kot volk

Močan sem kot volk

Bree
Jaz sem Slovan, kurba

Tomuhle se u nás říká zkurvená rozcvička, takže dřepnout, paty na zem a vodá
ka do dna
Come on, give me a Slav squat
Squat
Squat
Slav squat
Slav squat
Squat harder
Squat lower

Forever in my blood
Adidas and Hardbass
I'm Slavic 'til the end, 'til death
I'm thankful to my mom
For Vodka in my veins
I'm Slavic 'til the end
Močan sem kot volk
Klopíme zrzky a není jich málo
V žilách koluje ta slovanská krev
Slovana ne utopš tut čeb ga hotu, dementn folk ti bo zjebov dan
Sídliisko v krvi, bryndza ma nasýti, nečum zbytočne lebo budeš bitý
Hardbass z repraku na sidlaku, squatujem low
To je ten Slavic life, let's fucking go

Squat
Squat
Squat
Squat
On your fucking heels
Squat as low as you can go
Put yo' heels down, won't remind you again
Slavs are taking over, learn to Slav squat
Best hangover remedy is vodka in my cereal
Beer cheaper than water, that's our lovely, lovely Czechia

Forever in my blood
Adidas and Hardbass
I'm Slavic 'til the end, 'til death
I'm thankful to my mom
For Vodka in my veins
I'm Slavic 'til the end
I'm Slavic 'til the end
Močan sem kot volk

Come on, give me a Slav squat
Squat
Squat
Slav squat
Slav squat
Squat harder
Jaz sem Slovan, kurba
