# A Dangerous Mind

**Within Temptation**

I'm searching for answers
'cause something is not right.
I follow the signs,
I'm close to the fire.

I fear that soon you'll reveal
Your dangerous mind.

It's in your eyes, what's on your mind.
I fear your smile and the promise inside.
It's in your eyes, what's on your mind.
I fear your presence, I'm frozen inside.

I'm searching for answers
Not questioned before.
The curse of awareness,
There's no peace of mind.
As your true colours show
A dangerous sign.

It's in your eyes, what's on your mind.
I see the truth that you've buried inside.
It's in your eyes, what's on your mind.
There is no mercy just anger I find.

I just have know, while I still have time.
Do I have to run, or hide away from you?
