Within Temptation

Left in the darkness  
Here on your own  
Woke up a memory  
Feeding the pain  
You cannot deny it  
There's nothing to say  
It's all that you need to fire away

Oh damn, the war is coming  
Oh damn, you feel you want it  
Oh damn, just bring it on today

You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live and fight it all away  
You can't hide what lies inside you  
It's the only thing you've known  
You'll embrace it and never walk away  
Don't walk away

Don't walk away  
Don't walk away  
Don't walk away

Raised in this madness  
You're on your own  
It makes you fearless  
Nothing to lose

Dreams are a joke here  
They get in your way  
That's what what you need to fight day by day.

Oh damn, the war is coming  
Oh damn, you feel you want it  
Oh damn, just bring it on today

You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live and fight it all away  
You can't hide what lies inside you  
It's the only thing you've known  
You'll embrace it and never walk away  
Don't walk away

(You need not fear us,  
Unless you are a Darkheart  
A vile one who preys on the innocent  
I promise  
You can't hide forever from the empty darkness  
For we will hunt you down like the animals you are  
And pull you into the very bowels of hell)

Oh damn, the war is coming  
Oh damn, you feel you want it  
Oh damn, just bring it on today

You can't live without the fire  
It's the heat that makes you strong  
'Cause you're born to live and fight it all away  
You can't hide what lies inside you  
It's the only thing you've known

You'll embrace it and never walk away  
Don't walk away

Don't walk away  
Don't walk away  
Don't walk away
