The Last Dance

Within Temptation

Ye-ye-ye-ye-yeah ohhhh yeah ohhh
Ye-ye-ye-ye-yeah ohhhh ohhh [2x]
She sang for you last night, she heard you were calling,
Drowning in tears a thousand times.
Your spirit was floating, your spirit was searching
On a cloud of dreams.
A moon beam shines bright in the city of angels
Guiding the dreamers back to life,
And they'll do the same every tomorrow
Till the pain subsides.
Don't be scared now,
Close your eyes,
She holds guard tonight.
Go forward,
No remorse,
Life will take its course.

Ye-ye-ye-ye-yeah ohhhh yeah ohhh
Ye-ye-ye-ye-yeah ohhhh ohhh [2x]
She danced with you last night so you will
remember
All you have shared, a lifetime.
The angels were watching and death will be
waiting
Until the time is right.

Don't be scared now,
Close your eyes,
She holds guard tonight.
Go on forward,
No remorse,

Life will take its course.
Ye-ye-ye-ye-yeah ohhhh yeah ohhh
Ye-ye-ye-ye-yeah ohhhh ohhh [2x]
Hold on to memories,
See what lies ahead.
Life will go on and we are one
With every step you take.
Ye-ye-ye-ye-yeah ohhhh yeah ohhh
Ye-ye-ye-ye-yeah ohhhh ohhh
