

## Devil In Me

### Within the Ruins

Taking over my mind, I hear the demon inside  
I feel it start to spread its wings  
A dead stare glossed over with pain  
The Devil and I are one in the same

The man you thought you knew is gone  
I am the one you fear  
Only torment lives here

Let the good in me die  
Let the evil come to life  
The past is not worth saving  
Embrace the bringer of light  
And now the truth is in sight  
Just let me suffer

The Serpent finally breaks the surface  
A black tongue feeds me perspective  
They always say "The Devil's in the details"  
And now I'm seeing red

I can't change what I've become (what I've become)  
This pain cannot be undone (be undone)  
Set free the devil in me

The demon inside, the demon inside, is taking over my mind  
The Devil and I, the Devil and I, the one I tried to hide  
A dead stare glossed over with pain  
The Devil and I are one in the same

I can't change what I've become (what I've become)  
This pain cannot be undone (be undone)

And now, I'm seeing red  
And it cannot be undone

Set free, set free, the devil in me

I can't change what I've become (what I've become)  
This pain cannot be undone (be undone)  
I can't change what I've become (what I've become)  
This pain cannot be undone (be undone)

Set free the devil in me
