

# Phone

Witt Lowry

Seems you know what I want  
My mind is full, it's full of you  
It doesn't see it, we will ride  
Another lie, another fight  
Now every night, I tell myself  
Stop thinkin' about and you losin' your money  
But every time I'm doin' this  
Refusin' it, I'm foolin' myself  
Oh oh oh oh, foolin' myself

Oh, so naive, oh, I couldn't see  
This love wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, tell myself, it's not who I am  
Understand it wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone

Hey Mark, I know you're mad, but I thought that maybe you'd answer  
So maybe last night was the last time that we'd speak  
Remember who was there when your dad was goin' through cancer  
Remember who was there when your soul was broken and weak  
You see, I took my time with you, you just took me for granted  
I juggled with my demons, you never would understand it  
So when you said, "forever," I thought about it and panicked  
I lie, but when I told you I loved you, I meant it, dammit  
I know I was never perfect, and you hatin' me for it  
You say the safe shit in your songs and have 'em praising you for it  
And we were sittin', talk for hours 'bout your music and tourin'  
And even though you say you loved me, I was less of important  
I know, I hurt way more than I show, it hurts way more than you know  
I know I cheated, but you cheated us both  
Your trust issues tore a hole at me that you couldn't close  
We were distant due to distance, what's different when you were close?  
You're different, I hope you know, we argue now over nothin'  
I'm goin' out with my friends, all you hear is someone I'm fuckin'  
I know you're not gettin' trusted, but cut me some fuckin' slack  
I wish that night never happened, but sometimes it's still playin' back  
I try to ignore the facts, I'm not the person you thought  
Now all that's left are moments and every ticket we bought  
That means all our heart, bitter, swallow, might wash it down with some shot  
s  
So cheers... to what we lost

Oh, so naive, oh, I couldn't see  
This love wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, tell myself, it's not who I am  
Understand it wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone

Hey, uh, I got your message, I guess I just wasn't ready  
To be honest, since you left everything is pretty unsteady  
To be honest, since you left, I barely eat or get ready  
I been tryin' to fill this void with anyone who would let me  
And I just hate how now we're stuck inside this game  
The loser is the one who shows they care and feelin' pain  
I'm checkin' if you took down all our pictures, just so I can do the same  
Fuckin' petty, wasn't ready for you to just up and change  
And I know that you'll only miss me when you fail to replace  
Girl, I lived across the map, how could you need more space?  
How could you be so fake? See, I was real from the start  
Every lie was like a knife that entered straight to the heart  
Don't know who you are, how could I when you lied from the start?  
You feel empty, so you fill up every night at the bar  
I feel empty, but can barely fill the tank in my car  
They love you after 3 a.m., but they don't love who you are  
I can't lie, honestly, I still think about you  
And when I go out with my friends, I still drink about you  
I'm sorry if I made you question how I feel about you  
Put you over everything, but now I have to live without ya, oh shit!  
I'm drivin' into a tunnel, so I might break up  
I promise I would've stayed if there was a way I could save us  
If only you spent as much time on us as you do your make up  
I tried... and you gave up

Oh, so naive, oh, I couldn't see  
This love wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, tell myself, it's not who I am  
Understand it wasn't meant to be  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tell me why I still keep checkin' my phone
