

# Buss Down

Wiz Khalifa

Yeah!

Or should I say yeaaaaaaah!

Shout out my nigga, Sledgren, my nigga Artie

You already know man

Keepin' me poppin' up in them magazines face all over the place

I know you see it

Prince Of The City man, 2, E, you ready?

I'm looking for a buss down

Every time I hit a city if you ever see her with me and she rollin' then she gotta be a (buss down)

And she get it like a pro ain't nobody gotta know

Hell no she ain't a ho, she a (buss down)

A couple swishers feelin' right

Yeah I hope that ain't cha wife cause tonight shawty lookin like a (buss down)

Say she know me I'm the man I understand she wanna ride with the camp then she gotta be a (buss down)

When I touch ground

I need a line of them bussies when I come round

Riding but its soft leather seats in my truck now (now)

They throw it at me I receiving for da touchdown

She gotta be a buss down

Ray got my cigarillo smelling right

Tell her what its sitting for and I ain't gotta tell her twice (nahh)

And it's going down tonight ain't got the time to take you out

I'm only in town tonight fuck the wait I'm bout to crush now (now)

I got her star struck heard that

Heard that I just signed a major deal I'm getting star bucks (yeeuh)

Got you going ballistic trying to get back to my tour bus

Hope you brought a couple of your friends here witchu cause it's more of us

Boogie hoes be boring us, she gotta be about it (bout it)

Got any once of attitude then I can do without it (out it)

She gotta be a sure fire thick fine knock a whole clique down

Go hard work a day job on a week and she a (buss down)

Its a must now, you in here with your man its time to put them cuffs down

Say you ain't with cheatin got you creepn on a hush now (now)

You never smoke before, I gotchu hitting blunts now

Watch your average nigga holla at you and you shut down

Know exactly who I am (am) she put her front down

Flyer than a motherfucker nothing but that newness (newness)

Know she a buss down, no she say she don't usually do this (do this)

You're borderline exclusive that's why you off in my new shit (yeah)

That body get you what you want, and you know how to use it (yaa)

All I do is tell them who I am and bitches lose it (lose it)

I'm all about my paper dog she in love with my music

All eyes on me (me) I feel like I'm the new kid

A zombie I make her give me brains til she stupid (stupid)

And if she can be certified ride or die, gotta mean back side

Let me and my team hit it right, then I turn her to a (buss down)

This for all my buss downs from here to over there

You dug, or you see me, wave hi then bye, not much conversation in between Sledgren (yeeuh)

Its Young..Whiz.....Khalifa man (buss down)
