

Cashed Out

Wiz Khalifa

Cashed out new Cullinan truck
Cashed out new titties new butt
Cashed out new crib in the cut
Cashed out on my team now we up
Cashed out on these strippers in the club
Cashed out on my daughter and my son
Cashed out on my team now we up
Cashed out on my bitch know what's up

Thank God then count a million up
Think smart and start a business up
Rich problems I got plenty of 'em
Broke bread once now I'm seeing double
Want what I got but it don't come with comfort
I'm 'a pull up handle business and ain't even gonna announce it
Put that shit on it look easy I'm making 'em scroll through my outfits
You ain't him in real life, only in comments
I see what I like and I decide to buy it all
Don't gotta go shopping 'cause my closet's like the store
Can't believe my socks are chrome, Balenciaga drawers
Can't believe they fighting for that spot 'cause it's ours

Cashed out new Cullinan truck
Cashed out new titties new butt
Cashed out new crib in the cut
Cashed out on my team now we up
Cashed out on these strippers in the club
Cashed out on my daughter and my son
Cashed out on my team now we up
Cashed out on my bitch know what's up

Oooh now they want to smoke like us
Oooh now they want to dress like us
Oooh they want to be just like us
Oooh nah they ain't cut like us
Oooh now they want to smoke like us
Oooh now they want to dress like us
Oooh they want to be just like us
Oooh nah they ain't cut like us

Hold on I don't even rock like that
But you my bitch so I cop like that
Come on yeah you fine like that
Fine yeah you fine like that
Niggas hating I'm up
They want to be like us
They ain't ride in these trucks
It's a whole different world
I ain't tripping on shh
No Royce I'm not
I stick and move
I fuck it up

Every day I'm working
Gotta move with the perks
Every day I'm smiling
Every day I'm learning

And I'm far from perfect
I be spending that shit
Really getting that shit
Really living that shit
Niggas know what it is

Cashed out new Cullinan truck
Cashed out new titties new butt
Cashed out new crib in the cut
Cashed out on my team now we up
Cashed out on these strippers in the club
Cashed out on my daughter and my son
Cashed out on my team now we up
