Hey baby, it's me
Um, I know you out there performin' right now, but
I just wanted to leave you a little message
To let you know how much I love you
And I miss you
And I wish you were home with me right now
But I'm so proud of you
And I'm so happy that you're doin' so well out there
I miss you baby, I miss you so much
I can't wait to see you
I love you, muah, bye
