

# Keep Ballin

Wiz Khalifa

Live for my respect nothing less  
If I invest I want mines plus interest  
Pulled up hopped out she got impressed  
New shit that I dropped, it's the best yet  
She want bomb marijuana plus good sex  
She want breakfast served to her while she in the bed  
She want good conversation, she complex  
Start my car and get ready for a long day  
Don't be talking to me loud in the wrong place  
When I walk in Nobu, go give me a large plate  
Me and your girls settle down order some entrees  
Maybe spark this fatty up before we part ways  
And every time I run into you I be fresh up off the plane  
Never be a sucker, I could never be a lame  
And every time I run into you I be fresh up off the plane  
Never be a sucker, I could never be a lame

Money keep on callin'  
I keep balling  
I keep ballin'  
Money keep on callin'  
I keep ballin'  
I keep ballin'

Around the world they reppin' Taylor  
I barely got there from my flight, just made it  
Placed the order for the whole table  
That's how it is when you young, rich and famous  
You know exactly how the game is  
Never be sucker I could never be a lame bitch  
It's Taylor Gang you know the language  
Never be a sucker, I could never be a lame  
Yeah

Money keep on callin'  
I keep ballin  
I keep ballin'  
Money keep on callin'  
I keep ballin'  
I keep ballin'

If you ain't practice with me I can't ball with you  
Always 100, keep it tall with you  
Take your friends out, let them hit the mall  
Buy everything you saw  
Wake up and do the same thing tomorrow  
I'm tryna get my money up, not follows  
I'm rolling up in my Ferraris, swerving pot holes  
Ain't worried 'bout what you got on, 'cause I got those  
Hear my influence in your songs  
Then this mouth flows  
You know exactly how this game is  
Never be a sucker, I could never be a lame bitch  
Around a way, a pound a day  
Hey  
What I'mma say  
Is Taylor Gang

Gang

Money keep on callin'

I keep ballin

I keep ballin'

Money keep on callin'

I keep ballin'

I keep ballin'
