

Mary 3x

Wiz Khalifa

Like me be smoking while I'm driving
Getting higher than the Bee gees, sayin' we both just stayin' alive a
n' (stayin' alive an')
Watching the time go by (time go by), climbing (climbing)
Told you I did enough hash, to make a mountain (make a mountain)
And you could sit right on your ass (right on your), doubting (doubti
ng)
While I'm somewhere rolling up grass, going up where the clouds is (c
louds is)
Some niggas say they get so high that I ain't fuckin' with' em'
I say if them niggas ain't get that high then I ain't fuckin' with' e
m'
Doing nothing with' em, rolling up or puffin with em'
Going on the road, doing shows or getting duckies with' em' (duckies
with' em')
I been smoking in my pictures since myspace
You niggas extra-curricular, bitch I fly straight

Some niggas try that shit for nothing, but I just tell em' to do what
they do (do what they do)
So many niggas went down the wrong road, so homie you can too (you ca
n too)
Just give me weed and my joint and I ain't need it for nothing homie
I'm straight (homie I'm straight)
The same way I came into the game, If I'm ever going I'm not going th
e same way

All I need is Mary Mary Mary I ain't fuckin' with no other drug
All I need is Mary Mary Mary I ain't fuckin' with no other drug
All I need is Mary Mary Mary I ain't fuckin' with no other drug
All I need is Mary Mary Mary I ain't fuckin' with no other drug

Niggas like me be smoking while I'm rappin'
And my homies smoke like I smoke so we both just make it happen (just
make it happen)
Say they be smoking, they be acting
Cause you ain't yet really smoked unless you smoked one with the capt
ain (with the captain)
High as fuck, choked up in my cabin, got some OG from a fan and it wa
s rolled up in a napkin (in a napkin)
So we Taylored, all my niggas smoke papers, never smokin that bullshi
t with them fucked up names of them flavours (flavours)
I remember puttin weed in my videos, niggas thought I was insane (ins
ane, insane)
Now every time I turn on the video, I see the exact same thing
Cause niggas ain't original, niggas ain't cool
You niggas ain't got it naw, you niggas ain't you
That shit is a problem for a nigga who can't lose
The homie I gotta ball, it's something you can't do
So suckas hate

Some niggas try that shit for nothing, but I just tell em' to do what

they do (do what they do)
So many niggas went down the wrong road, so homie you can too (you can too, too, too)
Just give me weed and my joint and I ain't need it for nothing homie
I'm straight (homie I'm straight)
The same way I came into the game, If I'm ever going I'm not going the same way
