

# See You Again

Wiz Khalifa

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
When I see you again

Damn who knew all the planes we flew  
Good things we've been through  
That I'd be standing right here  
Talking to you about another path I  
Know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up look at things different see the bigger  
picture  
Those were the days hard work forever pays now I see you  
in a better place

How could we not talk about family when family's all  
that we got?  
Everything I went through you were standing there by my  
side  
And now you gonna be with me for the last ride

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
when I see you again

First you both go out your way  
And the vibe is feeling strong and what's  
Small turn to a friendship, a friendship  
Turn into a bond and that bond will never  
Be broken and the love will never get lost (And the love will  
never get  
lost)  
And when brotherhood come first then the line  
Will never be crossed established it on our own  
When that line had to be drawn and that line is what  
We reach so remember me when I'm gone

How could we not talk about family when family's all  
that we got?  
Everything I went through you were standing there by my  
side  
And now you gonna be with me for the last ride

So let the light guide your way hold every memory  
As you go and every road you take will always lead you  
home

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
When I see you again
