Wiz Khalifa

There's a naked girl in my backyard  
I can run fast but won't get far  
My mom thinks that I'm an animal  
I'm just looking for the antidote

There's a British girl on my TV screen  
She's so hot, she's so mean  
Burnt my body like it's flammable  
Girl, I'm still a fan of you

Oh, oh, oh, oh  
Aye, aye, aye, aye

Eat me like a cannibal  
Aye, aye, baby, I'm a fan of you  
Your sensation is my fixation  
Just tell me that it's tangible  
Aye, aye, baby, I'm a fan of you  
Aye, aye, aye  
Your sensation is my fixation

Say don't play with me, but I still gamble with it  
We getting right before we take off on the landing strip  
Know that you like all the attention that a fan gives  
Say that you like me, but you're way too young for marriage  
Ah, ah, ah, ah-ah  
I've been here before, I know exactly how it goes  
Yeah, now I got you packing up your clothes  
You can hit me up, and let me know exactly when you're close  
I'm her favorite drug, said she needs a macro dose  
She want to smoke doobies all day

Aye, aye, aye, aye

Eat me like a cannibal  
Aye, aye, baby, I'm a fan of you  
Your sensation is my fixation  
Just tell me that it's tangible  
Aye, aye, baby, I'm a fan of you  
Aye, aye, aye  
Your sensation is my fixation

I can't find a way  
You bring me right back night and day  
And I can't escape the bed I made  
I don't wanna escape the bed I made  
I can't find a way  
You bring me right back night and day  
And I can't escape the bed I made  
I don't wanna escape the bed I made

Eat me like a cannibal  
Your sensation is my fixation  
Aye, aye, baby, I'm a fan of you  
Your sensation is my fixation  
Just tell me that it's tangible  
Your sensation is my fixation

Aye, aye, baby, I'm a fan of you  
Your sensation is my fixation
