Say you miss me baby  
Say you miss me baby  
I know, I know  
All this money's what you want  
All this time is what you want  
All this kush is what you want  
I'm your choice I'm what you want

Lifestyle probably never seen it  
Used to lame niggas now she fucking with a genius  
Champion shit where the ring at  
Real player lil nigga you a wingman  
Million dollar moves still we sticking to the plan  
Drop my card it can cover what you can't  
Don't gotta trip it ain't nothing to your man  
My cars are sick the manual come in different language  
We taking off on a boat that they can't rock  
Started getting rich young and we can't stop  
See the excitement on your face  
Dinner at Papi Steak, flicking ashes on a plate

Say you miss me baby  
Say you miss me baby  
I know, I know  
All this money's what you want  
All this time is what you want  
All this kush is what you want  
I'm your choice I'm what you want
