Lose yourself to the riddim one time  
Damn it, baby, you got me, no fighting  
I'm not looking for your love, I'm honest  
I just want a piece of that, yeah yeah

Touch your body, make I move you tonight  
I don't need your love, I just want your body pulling on me (Pull it)  
Touch your body, make I move you tonight  
If I dey with you, I just want your body pulling on me (Pull it)  
Ignite it, I'm gonna put it deep, deep, deep, yeah  
Don't fight it, I'm gonna put it deep, deep, deep, yeah
