So many things I been take for the pain

Yeah I fit tell you many things but I say nothing  
Say this life naso e be, brother what go be go be  
Gan gan  
I fit tell you why I live so dangerously  
Men dey go through things for real  
But we dey sure we go see better days (Yeah yeah)

Stand wella!  
And I get the gbedu wey dey make dem  
Bounce wella make I dey do things wey go  
Make my mind wella  
Bad boy wizzy no dey follow no fella  
Got a couple ladies I fit call any weather  
And we no come to dey waste time  
Po po di po hear the music dance wenna
