For me, Diana
Say your body for me, Diana (Hmm)
Say my money for you, Diana (Yo te puedo mostrar unas cositas)
Nobody ready pass me, Diana
Say you dey give me cruise, Diana
I dey ready when you leave, Diana (Si tuviera la oportunidad te volvería loco)
Don't let nobody tell you things, Diana
Don't let nobody burn the bridge, Diana
No sabes las cosas que me haces sentir
Me excitas, me mojas, me encantas
Si solo supieras las cosas que te haría en privado
Uy, hmm
