

For Me

Wizkid

Yea, she winds it for me
The way she goes down low
I am feeling her body and soul
I want to take her home
She grinds it for me
I love the way she goes down low
I am feeling her body and soul
I want to take her home
That girl down low
Give me that thing for sure
Please go down low
That girl down low
Give me that thing for sure
Please just give me love

Wait, it's Wizzy and Wande Coal
Everybody get on the floor
Let the music play all night
Make we dance and party all night
Oya the music ginger you
No dulling make nothing hinder you
From dancing and winding and grinding down low
Oya kalamgolo on the floor
Let the music take control
I love the way that you roll
Oya 17,18,19 baby
Scatter the floor
Oya komole ko jo
I love the way that you wind

Yea, she winds it for me
The way she goes down low
I am feeling her body and soul
I want to take her home
She grinds it for me
I love the way she goes down low
I am feeling her body and soul
I want to take her home

I dey spend, mo buru gan ni
I dey sing, mo tun dudu gan ni
Let diamond keep shining, WC, Wizzy we on this shit
And we all dining
More popping bottles when we grinding
Popping bottles going on 15, going on 16, going to 19
To all my seductive girls
Where my sexy ladies, that want to wine it for me
O o wine it for me
Sumomi dakun baby
Dakun dakun baby
Ore lasan le ni e je o
O wa tun lo fun e ni ti bi se
To ba di gba to yun ba de
Ko ma wa ma wa ka e mole
To ba ri na, ko toro
Pariwo ni gbogboro
A le ni ya mi were

A le ni ya mi were

She winds it for me
The way she goes down low
I am feeling her body and soul
I want to take her home
She grinds it for me
I love the way she goes down low
I am feeling her body and soul
I want to take her home
That girl down low
Give me that thing for sure
Please go down low
That girl down low
Give me that thing for sure
Please just give me love

Give me give me that
O ya tell them make them know, it's Wande Coal and Wizzy
Tell them what them no know, I say it's Wande Coal and Wizzy
Oya tell them say it's Wande Coal and your boy Wizzy
Tell them what them no know, it's Wande Coal
