

In Love

Wizkid

Come on baby
Come and be my lady
The way you move your body
Girl you drive me crazy
Oh, I can't explain it
My girl I can't explain it
Girl you got me asking for more
Asking for more

You know that I love the way you watch it
Looking like you want to touch it
If you're good I'll let you have it
Omo I go be your bad habit
I can't explain it
Oh boy I can't explain it
Just how I got you asking for more
How you're begging for more

Oh my baby
Come and be my lady
See everyday I'm falling in love
Yeah, falling in love

Come here baby
I want you to be my bobo
Coz everyday I'm falling in love
I'm falling in love

With you, I'm falling for you girl
With you, I'm falling for you girl
With you, I'm falling for you boy
Everyday I'm falling in love
I'm falling in love

You know that I need your love
Like this drink in my cup
So pour your drink in my cup
I'm trying to drink you all up

Girl hold on
The feeling that I feel is so strong
I need your love, your care, your kiss and touch to move on

Yeah, I'm loving your low waist
Hey, feeling your low waist
Hey, every time you shaking your booty
You causing me gobe, aha

I'm loving the way, ay
Your feeling my low waist, ay
Driving me crazy, calling me baby
No, no, don't go away

Oh my baby
Come and be my lady (be my baby)
See everyday I'm falling in love
Yeah, falling in love

Come here baby (come here baby)
I want you to be my bobo (be my baby)
Coz everyday I'm falling in love
I'm falling in love

With you, I'm falling for you girl
With you, I'm falling for you girl
With you, I'm falling for you boy
Everyday I'm falling in love
I'm falling in love

Girl you got the ghetto boy
Falling for you girl
I can't explain what I am feeling for you girl
Girl you got the ghetto boy
Falling for you
I'm really falling big
Girl I tell them other girls bye

Girl you got the ghetto boy
