

Steady

Wizkid

Mi love her all the time
Mi love her all the time
Something to feel alright
Mi love her all the time
Mi love her all the time

I want time with you, girl, you're movin' it slow, you know? (Slow, you know
?)
You're movin' it slow, you know? (Slow, you know?)
That's why I just want more (More)
I could never ever lie, -ie, -ie
Girl, you look like my type of fine, 'ine, 'ine
I want you, you don't wanna cry, y-y-y-y
Owo ti de you never need to worry

All I need from my baby, oh
Something steady
Good, she a five-star lady, oh
Body physically sexy (Lady, oh)
Something steady
Smooth like a five-star lady, oh (Lady, oh)
That's my baby
The gyal I miss me, yeah

Mi love her all the time
Mi love her all the time
Cryin' at night
Shinin' with mi lover
You give me something to feel alright
Mi love her all the time
Mi love her all the time
Cryin' at night
Shinin' with mi lover
You give me something to feel alright

Nobody ever hold me down like this
You done start something, oh woah
You count on me for love
I've never ever seen this one, woah, woah
This one na one chance, e be substance
I'll be your mental, you give me tension
Steady, fit to lose my head
I no fi lose you, babe, baby, oh

All I need from my baby, oh
Something steady
Good, she a five-star lady, oh
Body physically sexy oh (Lady, oh)
Something steady
Smooth like a five-star lady, oh (Lady, oh)
That's my baby
The gyal I miss me, yeah

Mi love her all the time
Mi love her all the time
Cryin' at night
Shinin' with mi lover

You give me something to feel alright
Mi love her all the time
Mi love her all the time
Cryin' at night
Shinin' with mi lover
You give me something to feel alright

Hold my body nice, feel it too, too strong
Omo get you freaky, you god damn freaky
Oh baby, why you gotta take so long?
Yeah, yeah
Smoke and Hennessy now fi make me weak
I need you every day of the week
You're so fine, you whine so unique
Hold my body tight and squeeze

All I need from my baby, oh
Something steady
Good, she a five-star lady, oh
Body physically sexy oh (Lady, oh)
Something steady
Smooth like a five-star lady, oh (Lady, oh)
That's my baby
The gyal I miss me, yeah
