

# Time

Wizkid

Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive  
Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive

Let's go  
You touching on my body, that's you  
I no dey send anybody, if not you  
So, just relax make I pamper, baby oh  
You know it's all good  
You messing up my mind, and that's rude  
Your composure day is precious  
I guarantee me no go mess-up  
You know baby, I be big flexer  
Bouncing on my body like a rodeo  
Baby, kó ma fi ilokulo ló mi o  
Do you 24/7 kò le rẹ mi o  
Hm, kó dè s'élòmíi, you know it's real  
And I'ma be your buddy anytime you need  
You know the steeze, the kind of things we need  
Oh baby, you know we gon' fly, even if we don't drive

Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive  
Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive

Silver lining, you know I never see the timing for sure  
Na you dey high me, and normally I no dey do alcohol  
My baby, no go whine me  
And when my body and my soul energizing  
I know what time is steady ticking  
Original no be regular something (Uh, yeah)  
Smile for my camera, freeze, and anytime you pose, ọmọ, make you say, "Chees e" (Oh, nah)  
You know my body got needs, baby, do me anyhow wey you please (Oh)  
I dey on top your matter because you're very special, girl  
Baby, make I treat you better, oh, baby pose for the camera, please

Hold me, ma tán me  
Oh yeah, you sweet me, and you, ọmọ, we got speed  
As you dey with me, ọmọ, na you I wanna see  
Hold me, ma tán me  
I don dey find this your matter tey tey oh  
Baby, make you call, make we dey dey oh, no lie

Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive  
Time after time, you got me loving up for you tonight  
You got me looking out for suit and tie  
You keep my body and my soul alive
