

Wad Up

Wizkid

Iyeyeye
Hmm, wad up
Iyeyeye, hmm hmm

Back in the days when the girls dem see me
All of them no want tell me
Wad up
Even the guy them see me for street
Them say I too dirty
So no wad up
But righ now when them see me pass
All of them want tell me
Wad up
They see pass in my new car
Even the girls all of them say
Wad up
Back in the days ooo
They no know me so
Nooo Wad up
I'm making my money now
Now them them take form say
Wad up
Back in the days they no know me
For the side orise (side orise)
Won o surulere
Pe orimi foka sibe (foka sibe)
Wad Up
See me pass I no send you
You no send me
I no send you
I dey do my thing
My way samklef on the beat so
Wad Up

Je n r'owo e soke, hmm hmm
Wad Up
Je n r'owo e soke, hmm hmm
Wad Up

Now when them see me pass
They throw me tuale
They see me pass your hood fam
Them throw me tuale
Back in the days I used to wear one jeans
One shirt
And then they no dey tell me
Wad Up
They say I too dirty
I no get swagger
So they no tell me
Wad Up
But right now then send me
But me I no send you
If you no send me
I dey jones
You dey pay me
I dey my things my way they pay me

When I pass your hood all of them they see me
Them tell me Wizzy
Wad Up
Them see me pass your hood they try to form familiarity
They say say Wad Up
I don do song with people
I don pose well well so easy
See who dey jone now
Say everyday I'm jinxing

Oooooo
Iyeeee
Who sat and watched my infant head
When sleeping on my craddle bed
When tears and sickness made me cry
Oya
If you know send me
Oya kari make you go hug transformer
Sheybi na dem talk say
All the song I sing
It get some comma
Yes he com talk say
All the thing I talk na grammer
Me I don learn many things
From the word of my grand mama
Thank God for the new me
Now people wanna know me
Back then when they saw me
Them say them no know me
So if you no know me
Shut Up
If you want know me
Wad Up
Iyeyeye yeyeye

I be different io
I be omoba
I say dey give am to me
I be omoba
Omoba
Wizzy and Omoba
Je n rowo loke
Je n rowo loke
Je n rowo loke
Je n rowo loke
Wad Up
