That you can't take
Gotta keep moving
Keep fillin' the plate
Please do not call
'Cause I'm smoking an eights
I got the dough
Gotta bake up the cake
Aye

Staying in bed like a baby
But they the ones callin' me crazy
Huh what?
Huh what?
Yuh
Smoking on dope

And you got the key

Why why why
Better make moves
'Cause the talk is the same
Yah

You on the bench but you not in the game
Don't talk shit
Huh
You talking shit
While I'm jumping on planes
You talking shit while I'm jumping on
I've been on my own shit
Still a kid
Not that grown shit
Still a cig
In the outfit
I do it
You talk it
I'm moving
You stalking
I'm looking for light
In the darkness
The money
The target
That's why they keep killing'
Our brothers
I hope you gon' wake up
Tomorrow
