Aye
Yea boy I'm back in the game
Showing these niggas new things
They wasn't ready for me
So I just pull up with bass
Uh
Making a wave
Get out the way
Got some' to say
Hold up
Let's praise
The lord
I'm putting my faith
In God
Yea
Imma just beat the odds
They wasn't ready for niggas like me
Don't be so petty with all of your beefs
Don't need the industry
'Cause I got heat
Yuh
Don't need none of your feats nigga
I be up on my feet nigga
I be up y'all gon' see nigga
Y'all be up in your dreams nigga
Y'all asleep nigga
Have sweet dreams nigga
Have sweet nigga
But I got dreams
I got dreams
I got dreams

I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where we be
Yah
I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where I'll be
At

Fuck being Peter Pan
Imma be your man
I got bigger plans
Come
Let's grow a fam
Come let's go again
She
Got me feeling

Like there's no loss
No drugs
I've been sober
All loves bipolar
All in like poker

Yea I really gotta grow up
Used to be the fucking stoner
Face still on the poster
Bball better post up
I got the heat like a toaster
If you want beef better show up
Don't need your beats
Got my own stuff
Fuck all these niggas
Be so tough

Let me show you some love
You ain't alone
No No
'Cause there's more
Let me show you some love
Let me show you some love
Mmm

I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where we be
Yah
I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where I'll be
At

I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where we be
Yah
I got dreams
Come and see
They asleep
Come with me
They gon' see
Where we be
Where I'll be
At

I got dreams
I got dreams

Don't need to sleep Don't need to sleep
