But life's too short  
So I show love  
So be up  
Just to get drunk  
Just to show myself  
I don't give a fuck

But what do I care about  
What's my values  
Everything's changing  
No need to tell you  
Promise me you won't fall off  
Like all your friends  
With all this drank  
With all these Xans  
It's all fun  
'Til your friend's dead  
Shit

Where the bag at  
And it make no sense
