WizTheMc

Yeah yeah  
Its this summertime  
Summertime 2017

Nohomes

This for the fam  
For everybody

Sing sing sing

Lalalalala  
Lalalala  
Lalaala

Tell me tell me tell me  
Tell me

Am I right or am I wrong  
What do I mean with song  
Say  
Do you feel this song  
Do you feel this song  
I don't know how to say it  
No way to explain it  
Something they been hating  
Like no-one made it  
There's no way around I wanna face it  
Life got amazing  
I found the faith in  
Every - every - every - everything

I know  
I know  
I know there's hope  
I know there's hope  
I know there's hope

I didn't know you was so lost  
I'm looking forward  
You will shine bright like a star was  
The light side of Star Wars  
Not like I was  
I was  
I wish I knew what I was  
Countless hours  
But it got me here  
Rapping with no fear  
I think you shouldn't fear God  
Something bigger is waiting behind all thought  
God is alive  
He just arrived  
He in your lap  
Singing 'you is divine'  
I know that this ain't no lie  
No lie  
Its no lie no lie

No lie, no lie homie  
No lie, no lie

Yuh  
Yuh  
Ey

Now who got the juice to step in the booth  
Make a nigga feel like he already rule  
This nigga knew when you still called him fool  
I still go to school  
I still walk in my old shoes  
You shot  
Now's my time to shoot  
Time to tie my shoes  
Time to find my groove  
Gotta rhyme in the booth  
Got no time for news  
Suddenly everybody wanna be in my shoes  
Don't act cool  
I know you  
Yuh  
Don't act cool  
I know you  
I know  
I know  
I know you

Yah yah yah

I know there's hope  
I know there's hope  
I know there's hope  
I know there's hope  
I know there's hope  
I know there's hope  
I know there's hope  
I know there's hope

Let's goo  
Let go...
