

Lied

WizTheMc

Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way
Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way

All the nights
We know are gone
Fucked us up
So we get stoned
Fell in your lap
Now that's my home
Can't call you back
'Cause you switched phones
Now to who should I go
And who should I trust
'Cause the time that we spent
Made me feel like I'm enough

And you know how I feel
You broke open my veil
I'm too broke to reveal
How I could love you again
And you know how I feel
You broke open my veil
I'm too broke to reveal
How I could love you again

Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way
Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way

Told you that I'll always stay true
But I had to let it go
Had to make another move
Now you pop up in my thoughts
And I don't know what to do
Yeah
Tell me you want love
'Cause I feel like I'm losing you
I'm losing you
I'm losing you
Yeah
I'm losing you
Feel like I'm losing you

And you know how I feel
You broke open my veil
I'm too broke to reveal

How I could love you again
And you know how I feel
You broke open my veil
I'm too broke to reveal
How I could love you again

Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way
Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way

Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way
Yeah I lied
If I said everything's fine
If I told you I don't mind
If you go your own way
