

Nothing New

WizTheMc

Aye
I've been on some shit
That's crazy
Niggas been talkin
But I see they lazy
Who got the juice
'Cause most people fugazy
I'm in the booth
And they still do not pay me
I do not care
'Cause I'm cold
Like a AC
Please hold the phone
While they calling me crazy
Fuck all these labels
We not in the 80s
No system can tame me
No wisdom can save me
'Til I got my kingdom
Lil Wiz going crazy
I feel like they ready
Don't come with no maybe

Nothin new
Oh nothin new
Why you steady fuckin' up
Boy
I do not fuck with you
Nothin new
Oh nothin new
She can't even give top
Girl I do not fuck with you
Nothin new
Oh nothin new
Why you steady fuckin' up
Boy
I do not fuck with you

Ain't nothing new
That nobody fuck with you
When u never tell the truth
Tell me
What you gon' do?
Holla
Move
Cannot have you in my room
Not in the mood
Gotta work on some
Need to get back in the booth
Why you fronting nigga
Only ice you got is in a scoop
Why you acting cool
You piqued In highschool
You talk but I DO
You sleep while I move
Probably hatin' on my music
You bought on iTunes
