'Cause I want loving

Ouhhh

Just loving you

Want something

Want something

I want something new

I want loving

Ouhhh

Just loving you

Want something

Want something

I want something new

Some new

I been tired

Of my old ways

Come thru

I been tired

I won't go away

Need bags

So my fam can go away

Need love for the kids in hallway

I just be wanting my bag

Give it all back

'Cause I never had debt

Blessings from heaven

Yea God talking back

Learning my lessons

I been in the lab

Yea

Say what you want

Babe you know I want love yea hmm

Say what you want

Babe you know I won't give up on you

'Cause I want loving

Ouhhh

Just loving you

Want something

Want something

I want something new

I want loving

Ouhhh

Just loving you

Want something

Want something

I want something new

Been searching for answers

Been looking for clues in my questions

What if I'm one of these actors

That's sayin that they know they blessings

Cannot be stressing

No

Feelings are matching

So stay with the action

I can't be pretending  
'Cause I got the message  
Your love is so precious  
I feel like a magnet  
Like you coming closer  
With every second

Say what you want  
Babe you know I want love yea hmm  
Say what you want  
Babe you know I won't give up on you

'Cause I want loving  
Ouhhh  
Just loving you  
Want something  
Want something  
I want something new  
I want loving  
Ouhhh  
Just loving you
