

Patience

WizTheMc

Now its you all in my head
But I heard that you is boujie
Couple euros in my hand
Hope you cool with just a movie
'Cause I do not have the cash
To spend on you
My bad
I sent you hunnit texts
And you didn't get back to me

I'm still waiting
I'm still waiting
I'm still waiting
I'm still waiting

It might take me some time
But all this waiting gonna pay off
Just keep patience in mind
Don't care how long it takes
'Cause I know it might take me some time
But all this waiting gonna pay off
Just keep patience in mind
Don't care how long it takes

Yea I told you that you can have my heart and my hand
Eating tofu cause you don't want the shark or some ham
Wanna roll through when its getting dark don't be scared
Can I hold you
I can bring you food to your bed
I told you I can be more than a friend
I know that all your homies ask
What is up with your new friend
But I don't want them to think
That I don't mean it with you
We can keep it between you or me
Yea its cool

You and me yeah its cool
You and me yeah its cool
You and me yeah its cool

It might take me some time
But all this waiting gonna pay off
Just keep patience in mind
Don't care how long it takes
'Cause I know it might take me some time
But all this waiting gonna pay off
Just keep patience in mind
Don't care how long it takes
