

Save Us

WizTheMc

Feeling your ways
It might never stop
Might never stop
Minutes away but I feel it all
But I feel it all
Morning light come save us
We don't talk like strangers
Like I've known you for life
Yeah, I saw you one night
While we fall into skies
Talk about life oh lets talk about us

Morning light come save us
This morning light
We don't talk like strangers
Like I've known you for life
Yeah, I saw you one night
While we fall into skies
Talk about life
Oh, lets talk about us

Stay all day all night
All night long
Oh, don't you go away
We'll find out what we want
Stay all day all night
All night long
Oh, don't you go away
We'll find out what we want

Your all on my face
And I wonder why
Wonder why
You are all that I taste
When the sun is out
When the sun is out
I been dreaming bout it
Keeping it inside
Never leave without it
Speak when it comes out
Oh, my knees are weak
I fear that it is love
That its love

Morning light come save us
This morning light
We don't talk like strangers
Like I've known u for life
Yeah, I saw you one night
While we fall into skies
Talk about life
Oh, lets talk about us

(Stay all day all night
All night long
Oh, don't you go away
We'll find out what we want...)
