

Scars

WizTheMc

To be honest
I don't do no promise
I'm a student
But don't do no college
If you say you got It
Betta drop it
Everybody eyes
Is on who popping
Uhm
I be away
I need to dip
I need to fly
Catch me jib
God do not lie
Why do you trip
Why do you
Why do you
Why do you
Why is u trippin'
Pause the bullshit
Let's kick it
Cooking up in the kitchen
Let me get
What they didn't
Whoa

I need more
Show me love
Broken heart
Full of scars
I need more
Show me love
Broken heart
Full of scars

My city can't hold me
I'm calling the Brodie
While sipping a 40
Yea they wanna know me
They try to be lowkey
Not sippin' no codeine
I be on my shit
I don't hang with no phonies
I'm in my zone
Don't accept calls
I need to grow
Break down the walls
I'm on my own
What do you want
What do you
What do you want

I do this shit
Just to keep me busy
Niggas spit
Without a fucking vision
Yea boy I'm back in the city

Feel reborn
Try to finish missions
Yah
Yah
Try to finish missions

I need more
Show me love
Broken heart
Full of scars
I need more
Show me love
Broken heart
Full of scars
I need more
Show me love
Broken heart
Full of scars
I need more
Show me love
Broken heart
Full of scars
