Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please
Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please give me a

Wanna know
If our plans is going right
We don't sleep
We stay up all night
If they don't like what I said
It's fine
They gon' have more days to find light
I'm not the one to decide
If the way they're going is
Right or wrong
Found all these signs in songs
Now my all my eyes on you
Don't ever fight the truth
Oh no
Oh no
Oh no
Oh no
Oh no

Why you smile like
You know something
I don't
Why you smile like
You know something
I don't
I guess don't know
I guess don't
I guess I don't know

Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please
Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please give me a sign

I spent all my time alone in rooms
'Till you came by and made room
For love and now you my muse
Ohh
Don't ever
Don't ever stop

No
Don't ever
Don't ever stop
Oh

Yeah
I'm not used to this still
Never thought that I build
Something like this
Pump up your kicks
Give funk to the kids
Now we jumping
Like we up to something
Fuck with the kid
I'm gon' be up for a bit
Pass me a blunt or a spliff
Go on

Why you smile like
You know something
I don't
Why you smile like
You know something
I don't
I guess don't know
I guess don't
I guess I don't know

Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please
Give me a sign for
Me to know I'm right
For people I'm still blind
But you showed me the light
So please give me a sign
For me to know I'm right
Please give me a sign
Please give me a sign
Please give me a sign
Please give me a sign
