

Smoke

WizTheMc

All this smoke got me numb
Yeah
Everybody out here talking
But they really don't want smoke
When they come
All this smoke got me dumb
Yeah
Everybody out here talking
But they really don't want smoke
When they come

Yeah
I don't care what you say
German nigga no USA
I got smoke and she got cake
I got ' go
But she want' stay
But nah
Don't forget that this game
She say don't forget my name
She just want a be my main
She just wanna feel a way
She just wanted some change
Yea
Cannot provide you with nothing but truth
I be alright
And I hope you too
Don't have no hate in my heart
To be hating on shit that you do
Shit that you do
Yeah
Ey
Talk the truth
Yea talk the truth
I got smoke
I got smoke
How about you

All this smoke got me numb
Yeah
Everybody out here talking
But they really don't want smoke
When they come
All this smoke got me dumb
Yeah
Everybody out here talking
But they really don't want smoke
When they come

I told 'em that I'm gonna get it
I'm going my way
Never regretting
Don't hang with no wastemans
Putting myself in the place fam
Mark my words
So I can say less
I don't really got patience

But God keeps me waiting
Yea God keeps me waiting
Everything gon' make sense
Dots slowly connecting
Every song came from nothing
Guess it's about the action
But niggas don't want that shit
They want a bag and necklace
I got no advice
You do you
Please don't ask me
Yeah
We not on the same page
We not running same pace
You ain't even know my age
I'm from a different place
From a different stage
Don't act like u relate to me
Yea
'Cause you don't
You don't yea
'Cause you don't

All this smoke got me numb
Yeah
Everybody out here talking
But they really don't want smoke
When they come
All this smoke got me dumb
Yeah
Everybody out here talking
But they really don't want smoke
When they come

All this smoke got me numb
Yeah
Everybody out here talking
But they really don't want smoke
When they come
All this smoke got me dumb
Yeah
Everybody out here talking
But they really don't want smoke
When they come
