

# Tell

WizTheMc

That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell

I just need to fucking do it  
Ay  
I be always on the move  
Eh  
That's why we keep shooting  
Ya  
'Til we on the fuckin' moon  
Yah  
Now we running to the top  
Uh  
I don't need to fuckin' stop  
No  
I don't take a fucking pause  
No  
I be always in my boss mode

Killing every fucking minute  
I be damned  
If I didn't  
I do this  
For the children  
Gotta get them on the vision  
You got it all in your mind  
I'm making people go blind  
Why they afraid to be God? We got it all  
Don't deny

That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell

Make up your mind  
Don't make up your face  
Niggas would die  
Just to be great  
I'm asking you why  
You not be working on shit  
That get you to that place  
Whoa  
I need to slow it down  
They don't even know this sound  
Aye  
Dream In Owen Sound  
Feel like I been around  
Young nigga  
Just getting started  
I just work

Don't do afterparties  
They lazy  
But want an Aston Martin  
Fugazy's  
Not allowed in my party  
I been working like all day  
For the past 4 days  
Flightmode  
Can't call me  
If we talk  
Keep it honest  
I just need  
Enough time to sleep  
Please  
Don't bother me  
I be in my dreams  
Yeah  
I just need  
Enough time to sleep  
Please  
Don't bother me  
I be in my dreams

That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell  
That's the shit they don't tell you  
Guess I shouldn't tell
