

Which Way

WizTheMc

Which way, which way
Say what you really want to say
Why this nigga in the game
Already slays?
I'm that nigga so fresh like a german may
My sound so cray
All my homies faint
Yeah I'm painting a picture
Hand me the paint
I'm fading away like kobe
And all these bitches love my hair frobee
When they see that I'm good
They act like they know me
I know who telling
And who is the homies
Yey
Nah I'm not even from the bay
A german nigga not out the USA
Bruuuuh
I don't want to be fame
I just want everybody on this earth
To know my name
Living my life how it's supposed to be
These niggas acting like they real mcs
This the industry
No credibility
And people don't really see
Why we even have tv's
Because of the news
More about advertising and hiding truth
Why cause everybody believes the news
Where should I go
Where should I go
Everything's a show

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way
(Which way)
Which way to go
(Ey)

How we live how we live
This is how we live

And we still chill with the whole clique
Why nobody fresh like me
Fresh new fit
I'm rocking them nikes, who's doing
And who did it?
I'm doing, the new dude is spitting
I don't wear no gold glitter
I don't try to fit in
Fuck is you saying
I'm no villain but I'm killing
First floor to easy
'Cause I want to get to the ceiling
And to be honest
Yeah I'm silly
NHMS I'm reppin my city
I don't know which way
But I choose if I have to
Niggas still loose
Why you still keep on asking
Like I don't need no time
To write these rhymes
I don't fuck with you if you keep on lying
Hot like an iron
I just tryna give ya good vibes
This flow to sick tho
Let me introduce me
You don't get info
Keep it sacred, 'till they pay for it
I'm the shit
Fuck the biz
What is this
Whack rappers getting rich
Imma do it all new
These people never heard of this dude
Only 'round 180 subs on youtube
But I don't even mind
That's not what I'm doing it for
I'm keeping it closed like a door
I work for my heart and my soul
'Cause everything I put in
Comes from my head to the toes
Most people don't know
My energy is floating and God knows
My energy is going up and God know
Energy is floating and God knows
Energys going up and God knows

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way
(Which way)
Which way to go
(Ey)

I don't know which way

(Which way)
Which way to go
(Ey)
