Wanna get some air up on the roof?  
(Oh my, oh my, maybe)  
Today weoeoeoeoe eoeoeoeoe  
Weoeoeoeoe eoeoeoeoe

Or will you walk me home?  
(Oh my, oh my, maybe)  
Today, lips lips lips lips  
Kiss kiss kiss kiss

(Maybe maybe) if he noticed  
(Probably probably) it'll be today  
(Who knows, who knows) if it's not today  
I might get tired

Oh baby baby baby  
Baby kiss my lips!

Monday through Sunday  
My week passes through you  
I'm floating like a boom  
I'm going around  
Door-lock door-lock  
The door of my heart  
I've fallen in love  
There's no answer to this

Hey, listen to me  
You're seriously a lucky boy

You have the whole world  
So stick close to me  
Right now, when you're not paying attention  
My lips might be on your lips

In my ears, I hear shalalala  
Flower petals fall in my eyes  
Everything is set  
This is perfect, everything's ok

(Maybe maybe) if he noticed  
(Probably probably) it'll be today  
(Who knows, who knows) if it's not today  
I might get tired  
Go for it! Go for it!  
Go 1! 2! 3!

I hesitated because it's my first time  
Actually, I was really nervous  
But it was the day I've been dreaming of  
It was like a movie  
I hoped it would be you  
I wished it would be you For a long time

Come come!
