

Another Girl Another Planet

Wolf Alice

I always flirt with death
I look you but I don't care about it
I can face your threats
And stand up tall and straight and share about it

I think I'm on another world with you
With you
I'm on another planet with you

You get under my skin
I don't find it irritating
You're always playing to win
But I won't need rehabilitating
No, no

I think I'm on another world with you
With you
I think I'm on another world with you

Another girl, another planet
Another girl, another planet

Space travel's in my blood
There ain't nothing I can do about it
Long journeys wear me out
But I know I can't live without it

I think I'm on another world with you
With you
I think I'm on another world with you

Another girl is loving you now
Another planet is holding you down
