

## Fluffy

Wolf Alice

You look smart, but I don't care  
I'm not looking for no love affair  
I'd sell you my soul, just to get me somewhere!  
What's there to do in this dead old town?  
Oh, I can't believe I live here now  
So I'm searching for cheap thrills the way I know how

Oh ohh oh ohh

Sixteen!  
So sweet!  
Sixteen!  
So sweet!

Send me your laugh  
Make you bright and early  
What makes you smile just makes me feel funny!  
So who's gonna love me? Where's all the money!  
What's there to do?  
I got nothing in this dead old town  
No, I can't believe I live here now  
So I'm searching for cheap thrills the way I know how

Oh ohh oh ohh

Sixteen!  
So sweet!  
Sixteen!  
So sweet!
