

Wicked Game

Wolf Alice

The room was on fire
No one can save me, but you
Its strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
I never dreamed that I'd do somebody like you

What a wicked game to play, to make me feel this way
What a wicked thing to do, to make me dream of you
What a wicked thing to say, you've never felt this way
What a wicked thing to do, to make me dream of you

And I, don't wanna fall in love
Oh I, don't wanna fall in love, again, with you

This song is only gonna break your heart
This song is only gonna break your heart

The room was on fire
No one can save me, but you
Its strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
I never dreamed that I'd loose somebody like you

And I, don't wanna fall in love
No I, don't wanna fall in love
No I, don't wanna fall in love, again, with you
