

In the absence of light and hope  
With the absence of room to breathe  
Feel the fear that lives inside your heart  
Let it grow undisturbed and un-diseased

You want it all, but the balance is in my hand  
You hear it all, but you'll never respect the plan  
So tonight it's all mine  
Everything you want is mine  
Let it go, it's alright tonight

Let the tide decide how the river winds  
Choose the shallow from the deep  
Let the campaign run its course  
Until its victory or defeat  
There is no place to go, there is no place to hide  
I am the life you lead when there's no one nearby  
Let your hands explore valleys they've never been  
Feel unrest inside when you're lost within

Tonight you let love go  
Sickening, disgusting  
I'm nervously touching  
My hand, your belt  
The lust we felt  
You know not of life  
You know not of life

Can you feel it?  
When the bottom of my hand meets the top of your mouth and  
And can you feel it?  
When the bottom of my hand meets the top of your mouth and  
Do you hear me when I'm talking to you?  
I don't think you do, I don't think you do  
Do you hear me when I'm talking to you?  
I don't think you do, I don't think you do  
Withered before my eyes  
Vibrant mellea  
You haven't seen so much light  
You know not of life

You want it all, but the balance is in my hand  
You hear it all, but you'll never respect the plan  
So tonight it's all mine  
Everything you want is mine  
Let it go, it's alright tonight

You know not of life  
You know not of life
