

Guillotine

Wolf

Another bomb, another deed, another strike
Another death cult rising
Another lunatic with the almighty on his side
Another blood stained wall

I close my eyes for this one time

Guillotine - the final curtain
Guillotine
Guillotine - only death is certain
Guillotine
Guillotine - the ultimate equality
Guillotine for kings and queens and common thieves

Another war, another speech, another lie
Another suicide
Another prosper, while another million die
Another billion in the bank

Guillotine - the final curtain
Guillotine
Guillotine - only death is certain
Guillotine
Guillotine - the ultimate equality
Guillotine for kings and queens and common thieves

I close my eyes for this one time

Guillotine for kings and queens and you and me

Guillotine - the final curtain
Guillotine
Guillotine - only death is certain
Guillotine
Guillotine - the ultimate equality
Guillotine for kings and queens and common thieves
