Lyrics:

Witchfinder

Born into darkness
In young modern time
Of religious madness
And perverted minds

If you're guilty as charged
No chance to escape
A faster confession
May ease certain fate

Merciless gaze - all hope is lost
Witchfinder
Blood's running cold - When they reach out for you
Witchfinder
There's nowhere to run - Nowhere to hide
Beware of the stare - From a witchfinders eyes
He seeks for the proof - the witch mark on you
Witchfinder

He pokes in your flesh
With his needles and pins
To loosen your tougue
To discover your sins

There's no concession
But plenty of time
To torture your body
So ease your conscience
