

Ancestor

Wolfheart

Born from the starts
Constellation of the crown bearer
Mark of the true king of the north

Fearless and ruthless creature
Wise and worshipped leader

Flawless creation
The beast without a name
Forefather of men
Ancestor eternal

Fearless and ruthless creature
Wise and worshipped leader

Reign the endless woods
And reborn to rule once more
Perpetual being lead the hunt forevermore

When the winter falls
On the throne of ice
Veiled in white
Sleeps the true king of the north

Flawless creation
The beast without a name
Forefather of men
Ancestor eternal

The beast without a name
Ancestor eternal
