

Knell

Wolfheart

Stay awake
Ignore
Sombre beat of the knell
With his scythe
Forger of life
Sombre beat of his bell

Resist the endless dream
The sleep never ending
Resist the call of the stream

Resist the endless dream
The sleep never ending
Resist the call of the stream
The death ascending

Stay awake
Fail to obey
Refuse to follow the way
Of the cadence
Heartbeat of the end
Countdown for the death to ascend

Decelerate the time
For the morning to never arrive
Decelerate the chime
For the sun never to rise

Resist the endless dream
The sleep never ending
Resist the call of the stream

Resist the endless dream
The sleep never ending
Resist the call of the stream
The death ascending
