

## Walking

Wolfmother

Hey, you, why do you say?  
Excuse me, I wanna say it my way  
Hey, you, with nothin' to do  
You say nobodies listenin' to you  
I'm just a walking  
Yeah, I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just walkin' around my merry way

Hey, you, with the long face  
You tellin' me that I'm a disgrace  
Hey, you, why did you say?  
I wasn't listenin' anyway  
I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just walkin' around my merry old way

Sorry if I caught you at the wrong time  
I'm just minding my own business  
Don't mean to seem unkind  
Tell me which way to go to get outta here  
There's that place  
I keep walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just walkin' around my merry way

I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just a walkin'  
Yeah, I'm just a walkin' around my merry old way  
I'm just a walkin' on my merry way  
I'm just walkin' on my merry way
